DUCKIE THOT

Duckie Thot was born and raised in Melbourne Australia and is of Sudanese descent. Duckie gained her first notoriety as a model while being featured on Australia's Next Top Model. After persevering through prejudice treatment in Melbourne for her dark complexion, Duckie moved to New York City and made her runway debut in the Yeezy Spring/Summer 2017 ready-to-wear show, and the following year was casted to play the lead role in the Alice in Wonderland inspired *Pirelli* Calendar.

Duckie is best known for being the face of *Fenty Beauty*, and a global ambassador for *L'Oreal Paris*. She has been featured in campaigns for *Moschino*, *Balmain*, *Oscar De La Renta*, *Fenty X Puma*, *Top Shop*, and has also graced the runway for *Victoria's Secret*, *Prabal Gurung*, *Jeremy Scott*, *Vivienne Westwood*, and *Valentino* to name a few. Duckie is currently ranked a "Money Girl" on the fashion database *Models.com*. Off the runway Duckie is a big advocate for diversity and representation within the fashion industry.
